Dear Dean

Sale of our Woodmead offices

Thank you sincerely for your most professional handling of the sale of our offices. The entire process from advertising to the conclusion of the sale was surprisingly easy and we are very pleased that we took the advice given to us, to sell by auction. We had not considered this approach but with hindsight, the benefits of not having to deal with droves of prospective buyers over long periods of time, different agents, conditional offers and the fact that we received a great deal more than our reserve price, leave us of the firm view that this is the best way to sell a property.

The service that you provided to us is a credit to the realty industry and we wish you continued success in your business.

Yours sincerely,

Michael Peter
Executive Director
